

Klammers Take Leadership Roles in Our Local Community.

Over the last few years, The Klammer Law Office, Ltd. has offered the Klammer Law Office Scholarship to graduating seniors of Mentor High School. As graduates of Mentor High School themselves, brother and sister partners, Lisa and Randy Klammer, are proud to join with their third law office partner, Darya Klammer, to offer the scholarship. The annual Klammer Law Office scholarship is offered to Mentor High Schools students whom hope to focus their futures on careers which touch on issues of law and justice.

In addition, the attorneys at the Klammer Law Office, Ltd. have continued the firm's and their individual commitments to our community. Recently, Attorney Lisa Klammer was elected president of the Lake Humane Society and Adoption Center. Since 1937, the Lake Humane Society has operated as a private, non-profit resource for the protection of animals in Lake county and the surrounding community. "I couldn't be more proud of my association with the Humane Society and I am so honored to act as the Board President," comments Ms. Klammer.

Not to be outdone as a volunteer, Attorney Darya Klammer was appointed to the highly regarded Mentor Schools Foundation Board of Trustees. The foundation was established in 1985 to assist the Mentor Public School System in delivering quality education to its students. Mrs. Klammer takes great pride in the foundation, "As a resident of Mentor, an owner of a Mentor business, and the mother of a Mentor student, there really is no better place for me to contribute."

To round out the partners, Attorney Randy Klammer was recently appointed as Treasurer of the Lake County Bar Association and is now also a Board Member and Continuing Education Chair of the Ohio Association of Criminal Defense Lawyers. Randy Klammer explains, "As the son of a lawyer, the husband of a lawyer, and brother to a lawyer, the commitment to this profession is a source of great personal pride. I am so very proud of this profession and honored to be associated with these fine organizations."
