### Klammer certified as family law specialist

Darya Klammer, an attorney for The Klammer Law Office in Mentor, has been certified as a family law specialist.

According to the Ohio State Bar Association, "OSBA certification demonstrates a commitment to excellence in your prescribed field of practice. Ohio attorneys who become a certified specialist by the OSBA have displayed a high level of expertise in their field of practice."

The American Bar Association states that there were 38,623 attorneys in Ohio, a new release stated. Of that 38,000, only approximately 130 received certification as family law specialists.

"It is not an easy process, but it was important for me to be able to tell me clients that I do specialize in family law," Klammer said in the release. "Clients ask that question because it is important to them. So I wanted to be able to make them comfortable in my experience."
